Employee Of The Month (December)

Kyle Baker

Kyle started with PST in August 2021 and has already begun his climb. After he applied for a sales role, he was employed as a labourer (due to covid restrictions). Kyle stepped into delivery driving through the busy December period and flourished. His reliability and determination to get the job done is why we will be paying for his truck license upgrade ASAP.

Kyle, like all of us, has his personal battles but his strength of character is what gets him through the tough times.

Recognition

Everyone on road and in the warehouse at PST deserves recognition for a massive rush to Xmas. Too many big efforts to single out just one or two. So proud of our team.

Operations (The Don)

Merry Christmas and Happy New Year everyone

What an unbelievable December, arguably the busiest the business has ever seen.

Everyone played their part, whether it be double runs, chopping out your mates when they needed a hand, people doing roles that they haven't done before to help us get through. We can't thank you enough

We think we have an unbelievable group of people, and we are excited for what 2022 will bring .

Word from Warehouse

Wow, what a year it has turned out to be. The New Year is upon us, and all the craziness of what December was, is now coming to an end. The challenge was put to all, and all stood up in magnificent PST form. Massive thank you to everyone for their continual efforts and positive attitudes throughout not only December but the entire 2021.

Can't wait to see what exciting opportunities the new year brings. Stay Safe, enjoy the warm weather and Happy New Year from the Warehouse

Sales

What an awesome effort from the guys upstairs over what was a challenging peak! The team did everything possible to squeeze us much work in with the resources at hand – Relocations is now booked out in removals over a month in advance which puts the business in a really positive position for growth.

We also have some exciting new commercial customer on the cook such as Adriatic Furniture who have given us an opportunity to tackle some work (which could be ongoing) in the New Year!

The Boss

I couldn't be prouder of all of your efforts over what was one of, if not the craziest peak periods in businesses history.

The way everyone supported each other day in, day out is a testament to the people and culture we have within. Please take the time to enjoy your Christmas and New Year period break with your family and be safe.

Looking forward to a bumper 2022!
