

# Warehouse Forklift/Reach Operator

## About Us

Peter Sadler Removals & Logistics is a family owned and operated logistics business operating out of a 9000 square metre warehouse in Laverton North. People are at the forefront of our business, and we are driven to help people develop and succeed

We specialise within various segments of the logistics industry including the following.

- Residential furniture removals
- Commercial furniture movements
- General transport deliveries around Metro Melbourne and Regional Victoria
- Pick and pack warehousing solutions
- We have sponsored employees in the past

Some of our clients include Harvey Norman, Gurner, Aidacare, Moon Dog and Mountain Goat

## We are looking for Forklift and or High Reach Operators

We are seeking an experienced picker/forklift/reach operator to join our Warehousing team. We have a wide range of shift options available (AM, Afternoon or Overnight). The role involves beverage picking, keg handling, picking white goods, such as fridges and freezers, inventory management, following company OH&S policies and maintaining a clean and safe workplace.
